**ATTENTION: JACO GILDENHUYS**

Dear Mr Gildenhuys

**VALIDATION OF A CATEGORY 1 CPD ACTIVITY:  
RECYCLING DEMOLITION CONCRETE INTO BRICKS**

We have pleasure in confirming that the CPD Validation Committee of the Cape Institute for Architecture (CIA) has, in terms of Sections 12.2 and 12.3 of the Conditions Relating to Continuing Professional Development and Renewal of Registration published on 21 May 2006 by the South African Council for the Architectural Profession (SACAP), assessed and validated the Category 1 Continuing Professional Development activity described in Part 1 of the schedule attached hereto and has determined the credit value as stated.

We draw your attention to the conditions for validation as given in Part 2 of the schedule attached hereto. Participants will be awarded 0.3 Category One CPD credits for attendance of 1.5 hours.

We enclose *pro forma* documents for the registration information required and the feedback questionnaire, which we require participants to complete for you to return to us. Should you wish to modify these *pro formas* please feel free to do so provided the information which we need is captured.

A tax invoice for the validation fee of R 4560.00 (four thousand five hundred and sixty rand) inclusive of VAT is attached.

A renewal fee of 50% of the initial validation fee is payable annually for the duration of the validated activity.

Your support for the architectural profession's Continuing Professional Development programme through the provision of validated Category One activities is appreciated. We take this opportunity to wish you well with the presentations, which we hope will assist advance thinking and help inform an understanding of what is truly required to address people's requirements.

Yours sincerely

---

**Asa Gordon (Ms)**  
Executive Officer  
Cape Institute for Architecture
